JOURNEY TO SUCCESS

Stories!

“ A boy from the hinterlands of Jharkhand”

— Manish Kumar Mehta
Mechanical Engg. , BIT Sindri
Batch : 2016-20

INTRODUCTION

My family

I have a strong supporting father with a caring mother and one sibling.

My schooling

1. I did matriculation from ST. Augustine High School,Hazaribagh with 8.6 CGPA in CBSE Board.
2. I did intermediate from RDS Inter college, Chatra with 73.20% in JAC Board

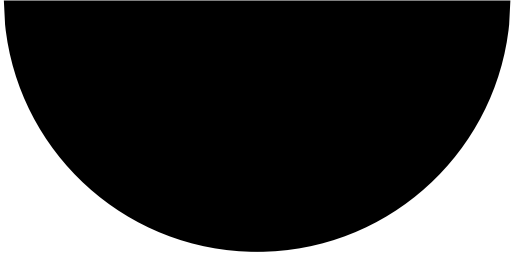
Challenges I faced

1 . During my school days there was electricity problem in my village so many a times I studied under candle light or lamp till std 10^{th}.

2 . After 10^{th} I went to main town of my district and there I lived in a rented house with my friends.Everyday we had to cook our food by self which was a tough task for us.

3. Since my financial condition was not good so I used to provide home tuition to reduce the burden of my family.

4.Somehow I manage to cook our meal, do the self study & home tuition and there I learnt to hard work and importance of time management.



College stats

During First year I was mostly involved in college fests, sports etc.Senior junior interaction was really a fun .Then from my second year I started focusing on my academics and softskills.Apart from academics I served as a mess incharge of my hostel during 3rd year. I'm in a team of student mentor made by our director sir.We guide and clear the doubts of 1st year students regarding different career options and college placements

"My friends said"

In the end of 3rd semester I made a Youtube Channel where I I upload general concepts of mechanical engg. Now my channel is having 16000+ Subscribers so friends used to call me "Mr. Youtuber". I used to help my friends during semester nights My friends tell me i explain the topics in very easy style.So to use my teaching skill for the society I will always share my knowledge through youtube while doing job also.

"My teachers/others said"

In my first year my avg cgpa was 7.5 . Seniors explained me the importance of marks for Higher studies and college placement so I worked hard & improved my marks to avg 8.5 CGPA. I was also 2nd branch topper in 6th sem with 9.07 cgpa. During my four years of BIT I have made very good relations with professors and alumni during alumni meet.I done my internship in Tata steel with the help an alumnus.Good relationship with professors helped me a lot for my final year project.

FACT

Financial facts about my situation and difficulties in buying a laptop.

My father is a farmer. I'm fortunate that i,'m in BIT Sindri which has very nominal fee so somehow my father could managed my fee and other expenses. He can't afford a laptop for me and we all know how much a laptop is needed for an engg. Student. But through the help of Anant Prayas I could able to buy the laptop which makes me feel so grateful to all the Anant prayas members.

1

Benefit which I got from usage of LAPTOP

1. I gave lots of GATE test series & scored 55 marks in GATE 2020.I will work hard & will try to perform better next year.

2. I watched lots of video lectures and made my mechanical subjects stronger.

3. I learnt tools of micrsoft excel and ppt.

4. I also used to read Novels and books in laptop.

I managed to get the financing Of the Laptop with the aid of

Anant Prayas Foundation

How did i applied

I came across a notification on facebook about Anant Prayas where a senior was holding a laptop.There was the link to a form & I filled it. After some rounds I got my name in the final list.My whole family member were so Happy when they heard the news of my selection in Laptop distribution round.

3

Me with my friends in BIT SINDRI

4

I have been recruited in Amalgam Steel, Jamshedpur through the campus placement. I will start to re-pay after joining this year.

Finally I would like to thank Aaloka sir & all the alumni who are supporting Anant prayas team for distribution of laptop to the BIT Sindri students at the time of their crucial need.

I would like to request all the alumni of BIT Sindri to come forward and give their valuable contribution to Anant prayas as it helps many student of alma mater to achieve their dream.

One day will surely come when all the needy students of our alma mater will have their own laptop through the effort of Anant Prayas team.
