A world wherein every talent is fostered with utmost care, compassion and empathy; a world whose evolution is spearheaded by the most deserving minds.

COMMITTED TO NURTURE TALENT

MISSION

To seek, nurture and shoulder the growth of potential youth; to ensure no bright brain is left out due to negligence and dearth of technical or financial resources.

GENESIS

Seeds of Anant Prayas were sown in the year 2016 by the noble alumni of BIT Sindri. Considering the steep inclination of present education scenario towards digital learning and rise in career opportunities in the IT sector, we pledge to help underprivileged but meritorious students in building them a sustainable career.

JOURNEY

The first project of Laptop Program was successfully completed in Feb 2017 by handing over laptop to one student out of 41 applicants. Eight subsequent rounds have been possible with a distribution of 36 laptops done till date and Anant Prayas owes heartfelt thanks to the generous contribution made globally.
