## ABOUT US

Anant Prayas is a noble initiative of BIT Sindri Alumni. The organization is instituted under Central Act II of 1882 in the state of Jharkhand.

## GENESIS

Seeds of Anant Prayas were sown in the year 2016 by the noble alumni of BIT Sindri. Considering the steep inclination of the present education scenario towards digital learning and the rise in career opportunities in the IT sector, we pledge to help underprivileged but meritorious students in building sustainable careers.

## FLAGSHIP PROGRAM

BIT Sindri Laptop Program is an exclusive program for the students of BIT Sindri Engineering College. Laptops are given to underprivileged students who are not able to have it on their own due to financial constraints. They badly need these to complete their course and be at par with other students.

## LAPTOP DISTRIBUTION

In February 2017, the first project of the laptop distribution program was successfully completed. We handed a laptop to one student out of 41 applications in 2017. Till June 2022, the thirteen rounds have been completed. In the thirteenth round, we provided laptops to 10 students. In total, **148 laptops** were made available to students in thirteen rounds. We enabled 25 needy students to have laptops in the last two rounds of the year 2022.
